For grown-ups

This sheet helps kids feel ready, not scared. Make your real family plan with official guidance at ready.gov and sign up for your city or county emergency alerts. Atlantic hurricane season runs June 1 to November 30. Keep important papers, medicines and phone chargers in your own grown-up kit.

Our Family Storm Plan

Fill this in together and keep it on the fridge.

If we need to leave, we will go to: _____

Our meeting spot near home: _____

A grown-up I can call: _____

Their phone number: _____

My home address: _____

My pet's helper is: _____

During a storm, I can...

☐ Stay inside with my grown-ups, away from windows.

☐ Never walk or play in flood water. Turn around, don't drown!

☐ Use a flashlight, not candles, if the lights go out.

☐ Take big breaths: smell the flower, blow out the candle.

☐ Read, color or play a quiet game. Storms pass!
